Room Assignments at each school are based on enrollments and room availability. Your child will be directed to the appropriate room on the first day of class.

No transportation is provided for this program. All children should be picked up promptly at the scheduled time. Please notify us if you want your child to remain inside the school for pick-up.

Absences: If your child is absent from school on a scheduled After-School Spanish class date or if he/she attends school but will miss Spanish class, please notify your school office (before Spanish class begins) so that the Spanish teacher can be informed of the absence. Emergency contacts will be called if a child is absent without notification.

Inclement weather/cancellations: Please email shb-ce@uwc.edu for class cancellations due to inclement weather. If your elementary school is canceled for any reason, After-School Spanish classes will also be canceled.

AFTER-SCHOOL Spanish Fall 2017

Registration Fee: $69 per student/6 week session. Please note, there is a discount for each additional student registered from the same family and an early bird registration price. Students that receive free or reduced price lunches are eligible to apply for a partial scholarship, for more information, email shb-ce@uwc.edu.

After-School Spanish provides an opportunity for elementary students to gain exposure to the Spanish language at an early age. Children in grades Kindergarten–5th will have fun learning about the basics including pronunciation, alphabet and number review, vocabulary building, common phrases and simple conversation.

Those students who have already completed a semester or more of Spanish are encouraged to enroll to reinforce and continue their study. Curriculum is rotated each year to accommodate both new and returning students. Review work is extremely important for retention and each semester includes review work plus NEW Material.

Instructors in the After-School Spanish Program bring a broad range of experiences to the classroom. Students will learn from instructors that have a solid background in Spanish and a strong desire to work with children as they discover how to communicate in a new language. Some of our instructors are university students who are studying Spanish and/or Education and have been recommended by university professors for participation in the program. Other instructors from the community bring a combination of classroom teaching experience, tutoring experience and foreign language skills. All of the instructors work together to create learning environments that are fun, creative and challenging.

Class sizes are limited. Students will be grouped according to age in an effort to provide an optimum learning environment for all participants. Additional sections may be opened or teacher aides assigned based on total registrations and instructor availability.

Please note that this program is administered by the UW-Sheboygan Office of Continuing Education and Professional Development. The program is operated in cooperation with, but independently from local school systems and must consequently recover all associated costs. No transportation is provided for this program.
