

# Sheboygan Falls FC COMMUNITY SOCCER

## 1ST - 8TH GRADE REGISTRATION NOW OPEN!!

**Sheboygan Falls FC is currently forming boys & girls teams for our 2021 Fall & 2022 Spring seasons!**

Our program features smaller fields with less players on the pitch at a time - giving everyone more opportunities to dribble, pass, shoot, and defend. This builds confidence and excitement without sacrificing the competitive spirit of the game.

With an intentional focus on an inclusive environment that supports player development and team unity, our teams are formed by grade level so athletes can play with their classmates and friends.
