**\*\*Course offerings may change due to enrollment\*\***

# SUMMER 2012 SUMMER SCHOOL PROGRAM MIDDLE SCHOOL HIGH SCHOOL REGISTRATION/EMERGENCY INFORMATION FORM

The Need For Breakfast doesn't take a summer vacation!

Having a hard time getting your student off to summer school with breakfast? Let the kitchen handle that for you this year!

Your student can have breakfast every day during summer school. IF you receive Free/Reduced now, it's the same during summer school (No Charge). They would use their lunch accounts. We would offer a variety of items to make a meal or as an Ala Carte purchase.

## Grab 'n' Go Breakfast Foods

1. Low-Fat/Fat-Free Milk\*
2. Juice\*
3. Fruit\*
4. Muffins/Breads/Pastries\*
5. Yogurt
6. Cereal
7. Breakfast Sandwiches/Burritos

This is just a sample of breakfast items. Whole Grain, Milk, Fruit & Juice are offered daily. Protein will be added also.

*\* Required element of a reimbursable school breakfast*

Would this be of interest to you and your student?

If so please mark below.

IF we have enough interest we will offer this for the summer school program.

Yes, we would do this program!

We are also looking at providing a nutritional grab and go lunch, as mentioned above. For the same price as during the school year. For \$1.95 MS and \$2.10 High School daily for the 3 week period, free no charge and reduced \$0.40

This would be a variety of grab and go options to make a reimbursable meal. Or Ala Carte purchases.

A menu would be included with your registration confirmation.

Yes, we would do this program!
