

## Welcome Falcon Athletes!

On behalf of the Falcon High School coaching staff we would like to welcome you to the Falcon Football Summer Camp. I would also like to commend you on your choice to challenge yourself mentally and physically through the game of football. At Sheboygan Falls we understand that it takes a big commitment to play football. We also recognize that our players are special to the school and community. Our program is represented by two acronyms. The first is F.A.M.I.L.Y., which stands for Forget About Me I Love You. We will have both staff and players discuss how this is represented in our tradition rich football program. The second is new to the program, but the word P.R.I.D.E. which has always run deep in Falcon football players. Pride stands for perseverance Respect Integrity Determination Execution. These are the words and expectations of players when they put that Falcon uniform on before a game. Along with our Hammer which reminds us to give everything we have for our community so we are the Hammer and not the Nail. These characteristics guide us to representing our great community in the best way possible, it is the Falcon Football Way.

The camp will focus on 1 defensive , 1 offensive, & 1 combination day with a sand lot tourney on the final day of camp. This camp will give your son/ daughter an advantage coming into the

upcoming football season.

## Weather

The camp will take place as long as we do not have lightning or a torrential rainfall. We do play football in the rain and must be prepared for it. If extreme weather occurs we will be in the high school gym if possible (so please have gym shoes).

**High School Camp:** The camp will be held at the High School practice field and designed for high school players competing in the Sheboygan Falls High School Football Program for the 2024 season. The camp will focus on fundamentals at each position, Falcon Offense and Defense vocabulary, as well as team concepts. This will help the football players get a jump start for the 2024 season. It is highly recommended to participate in the camp.
