Fundraising Program

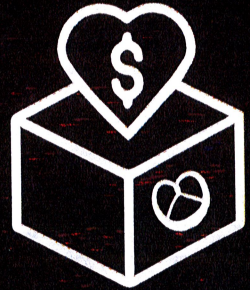

Our story:

After living in Germany for a year, Katie and Matt Wessel set out to recreate the delicious soft pretzels they fell in love with at Munich beer gardens. So they got to baking and in 2013 founded Milwaukee Pretzel Company. Today each pretzel is still rolled by hand and baked with love.

Fundraising program:

We partner with groups across the country who are looking for an innovative way to help drum up dollars for a worthy cause. The best part? **Each organization keeps 50% of what they raise!** Support your local community AND enjoy delicious soft pretzels - a true win-win!

WHAT MAKES OUR PRETZELS SO GOOD:

WHEAT FLOUR

The workhorse. Gives the pretzel a nice dose of protein.

RYE FLOUR

High in nutrients and adds a rich, earthy flavor to the pretzel.

WATER

A foundational ingredient. Water is responsible for triggering the baking process!

BUTTER

Who doesn't love butter? Butter gives the pretzel a richer flavor compared to oil.

SALT

More than just flavor! Salt is a key ingredient that increases crust color, controls yeast fermentation and strengthens the dough.

LYE

Food safe of course! This gives the pretzel that classic tang we all know and love along with that deep, nutty brown exterior.

YEAST

Our pretzels wouldn't have a pillowy interior without it!

MALT

Adds a hint of sweetness along with contributing to the texture.
